From small beginnings on the rugby fields of Canterbury

CCC is worn by some of the biggest names in world sport. CCC is the choice of champions. Inspired by the spirit of yesterday’s heroes and committed to the performance of tomorrow’s champions, Canterbury has the gear to give your team the winning edge. Quality, style and the relentless pursuit of excellence.

Generate your own teamwear online

A quick and fun way to create your school uniforms or team kit. Choose from the gallery of current garments and designs. Colour in your jersey to your school or team colours. Place your logos, names and numbers into position. Go to the inquiry screen, log in your contact details and a Canterbury representative will be in contact with you to discuss and provide a quote. www.cccteam.com
PLATINUM JERSEYS

Sublimated fabric with wicking finish to help to keep the player dry and control body temperature. Durable and practical, virtually any design and PMS colour can be sublimated into the garment, incorporating club badges and sponsor logos into the design. 100% Polyester, 300gsm

FIT STYLES:
Based on the successful International fit introduced for the 2007 Rugby World Cup, the fit has been modified slightly for 2011 to allow flexibility, movement and comfort with the traditional fabric technology. Designed to be worn tight to the body. This is the ultimate rugby jersey from Canterbury.

COLLAR STYLES:
New neck construction for 2011 offers superior fit, comfort and greatest strength yet. Binding trims the neck, with neck tape to inner and outer neck. “LOOP 21” is protected by a registered design of Canterbury Ltd (Registered Design No. 001691049-001)

BINDING & SLEEVES:
Available in short sleeve only with Everest binding on sleeves and body hem.

‘LOOP 21’ is protected by a registered design of Canterbury Ltd (Registered Design No. 001691049-001)
ELITE JERSEYS

As your boots tread the grass, you want to feel the performance jersey fabric on your back knowing that you have all the weapons necessary to knock your opponent off the field. Designed to be worn close to the skin, the fabrication of the jersey provides ultimate comfort and shape retention without restricting any offloads, side steps or tackles that will help lead your team to victory.

FIT STYLES:

Introduced for the 2007 Rugby World Cup, the international design incorporates the very latest technical fabric to offer a tight fitting jersey that moves and flexes with the body to offer an extremely comfortable yet high performance jersey. Designed to be worn tight to the body.

COLLAR STYLES:

Designed for the 2007 RWC, this innovative design is hard wearing and durable. The international collar is applicable to raglan sleeve designs only. Cover stitching around neck insert and down raglan seam. Select stitch colour from sublimation colours.

7
SUBLIMATE JERSEYS

Worn and loved by many elite teams throughout the globe, the sublimate jersey emphasises the quality and durability that can be expected from all Canterbury products. The jersey is hard-wearing yet versatile; allowing the application of any design or colour to the fabric, helping you to create a unique and stylish jersey that will stand out on the field.

FIT STYLES:
CLASSIC. Traditional fit, comfortable for all sizes and perfect for playing, training and leisure use. Available in a traditional set-in sleeve or raglan sleeve finish. Durability and comfort are key benefits for this style.
MATCH. Initially designed for a number of International 7’s teams, this slimmer fitting jersey has developed rapidly within the game and offers a more streamlined performance, reduced material ensures speed and efficiency are key improvement areas. Look good and feel good.

COLLAR STYLES:
SPORTS COLLAR. Originally developed for the 2003 RWC, the sports collar is a more streamlined update to the traditional collar style. Cotton drill material, or polyester twill option for sublimation, combined with a loop neck ensuring durability and performance.
STUB COLLAR. Created more than 30 years ago and still popular today, the stub collar offers a more streamline performance and look with the loop neck. Available in cotton drill or polyester twill.
ROUND NECK.
V NECK.

BINDING & SLEEVES:
Sublimated jerseys are available in both long and short sleeves. Long sleeves have a ribbed cuff.

SPORTS TOPS & BOTTOMS

In a world where the latest developments in product fit and technology are constantly sought out, many of us are keen to acquire classic fitting sports garments in which to train and compete. Personalise your chosen design in your team colours and let your kit do the talking.
We understand that women like to wear a traditional and structured outfit when taking part in sport, so we have focussed on tailoring our garments to provide a relaxed and comfortable fit. You can still expect all the added extras such as built-in shorts, offering you piece of mind as you spring around the netball court or clash sticks on the hockey field.

FIT STYLES:
Traditional fit, comfortable for all sizes and perfect for playing, training and leisure use. Durability and comfort are key benefits for this style.

NETBALL DRESSES

Canterbury netball dresses are designed with your comfort and support at the forefront of our mind, whilst not compromising in performance or technicality. The breathable fabrics and sleeveless lightweight silhouettes offer moisture management regulation and ensure maximum freedom of movement whatever your position.

DRESSES:
Womens fit dresses offer movement, flexibility and speed around the court or field. An inner bra is built in for additional comfort, all dresses are sleeveless with a round neck (square neck on Off shoot design). Cut and sew dresses are available in Nylon Spandex for a great fit.

NYLON SPANDEX:
Comfortable, close fitting fabric that offers movement, flexibility and speed around the court or field. Fabric helps keep body dry and control temperature. 82% Nylon, 18% Spandex, weight 205gsm.

EVEREST SUBLIMATION:
Revolutionary sublimated fabric with anti-bacterial moisture management properties to keep you dry and fresh. This innovative fabric has a mix of fibres and yarns to ensure a tight fitting garment that moves in accordance with body movement. Virtually any design and PMS colour can be sublimated into the garment, incorporating club badges and sponsor logos into the design. 93% Nylon, 7% Spandex, weight 290gsm.

CUT & SEW POLOS

If you like to look smart on the tennis court in a lightweight, technical polo shirt or you simply require a cotton pique polo for relaxing in the clubhouse afterwards, we have an adaptable collection available to fit your needs. Featuring an anti-bacterial fabric finish and available in a variety of fits for men, women and children, you will be left struggling to make a choice.

FIT STYLES:
- Slim, Juniors and Womens: Traditional fit, comfortable for all sizes and perfect for playing, training and leisure use. Durability and comfort are key benefits for this style.

COLLAR STYLES:
- KNITTED PLACKET COLLAR: The placket collar is a favourite of polo shirts of all designs. Offers a stylish, yet traditional finish. The Knitted collar has a ribbed look and feel.
- SELF-FABRIC PLACKET COLLAR: The same traditional placket collar as above but with a self fabric finish collar.

BINDING & SLEEVES:
- Fit for men, juniors and women’s only available with short sleeves.

POLYCOTTON JERSEYS

Canterbury has been making rugby jerseys for over 100 years. Tested and proven on rugby fields around the world CCC is worn with pride by everyone from club juniors to international stars.

Canterbury’s traditional ranges of iconic jerseys are made using tough polycotton fabric, come in a standard fit and feature the famous loop neck collar. Classic.

FIT STYLES:
Traditional fit, comfortable for all sizes and perfect for playing, training and leisure use. Available in a traditional set-in sleeve or raglan sleeve finish. Durability and comfort are key benefits for this style.

COLLAR STYLES:
SPORTS COLLAR. Originally developed for the 2003 RWC, the sports collar is a more streamlined update to the traditional collar style. Cotton drill material, combined with a loop neck ensuring durability and performance.
STUB COLLAR. Created more than 30 years ago and still popular today, the stub collar offers a more streamline performance and look with the loop neck. Available in cotton drill.

THERMO NUMBER OPTIONS

Sizes.
2.5cm, 4cm, 5cm, 7.5cm, 10cm, 12.5cm, 15cm, 18cm, 20cm, 23cm, 25cm

Solid (One colour).
0123456789

Cut Out (One colour). Available in 8” and 10” only
0123456789

Two Tone Cut Out (Two colour). Available in 8” and 10” only
0123456789

Split Numbers (Two colour). Available in 8” and 10” only
0123456789

20cm numbers are recommended for the back of slim fit jerseys, 25cm are recommended for the back of standard fit jerseys, 5cm numbers are recommended for shorts, track pants or chest and sleeve positions.
Names can be added across the back shoulders, or as initials on the sleeve/chest. Screenprinted names are available in requested shades, however thermo is the recommended option.
Sublimated garments – numbers and names can be sublimated into any sublimate garment being made to order. This is at no additional cost to the garment and it is possible to request specific shades. For non-standard colours please advise a Pantone (PMS) shade number.

THERMO
Thermo is a method for adding letters and numbers to garments and accessories. Plastic shapes are fixed to the fabric with heat and pressure. Recommended for individual names and position of sports uniforms.

EMBROIDERY
Embroidery is a method of adding small logos and text to garments and accessories. Coloured thread is stitched through the fabric. Recommended for school crests and individual names.

APPLIQUE
Sewn on letters and numbers offer a unique textured look to garments.

SCREEN PRINT
Screen printing is useful for adding logos and simple graphics to garments and accessories. Ink is printed onto fabric, setup fees apply, maximum of seven colours.

SUBLIMATION
The process of sublimation allows for almost any graphic in any colour to be applied to the fabric of the garment. Therefore all sublimate garments do not require any added embellishments and costs associated.
FABRIC DESCRIPTIONS

**Sports Mesh**  
100% Polyester 150gsm  
Sport Mesh material has been designed to suit on and off field requirements. It has been designed to transfer moisture away from the skin surface to the outer surface of the fabric for evaporation. Major feature of this fabric is good air flow. Ideal material for tops and shorts.

**Performance sublimate**  
100% Polyester 150 or 180gsm  
Performance sublimate is a silky finish material designed to suit on field sports requirements. It has been designed to transfer moisture away from the skin surface to the outer surface of the fabric for evaporation. Ideal material for all playing tops and shorts.

**Polycotton Pique**  
65% Polyester/35% Cotton 180gsm  
Polycotton pique material has been designed to suit off field requirements. Designed for style and comfort. Ideal material for schools, clubs and corporate use.

**Polycotton**  
55% Cotton/45% Polyester 315gsm (jersey) or 200gsm (polo)  
Polycotton fabric has been a proven winner for clubs and international sides since 1904. Designed for strength and comfort and to withstand the rigours of the game. The polycotton material is ideal for schools, club and corporate use.

**Everest Sublimate**  
93% Polyester/7% Spandex 290gsm  
An innovative sublimated fabric, the latest state of the art breathable polyester material, anti bacterial with moisture management properties to keep the body dry and fresh. A mix of fibres and yarns to ensure a close fitting ergonomic jersey that moves in accordance with body movement for maximum on field performance.

**Nylon Spandex**  
82% Nylon/ 18% Spandex 205gsm  
Developed for Hockey, Netball and similar sports that use dresses and skirts. The fabric keeps the body dry and assists in the control of body temperature. The fabric has also been designed for speed and ease of movement around the court and field.

**Jersey Sublimate Polyester**  
100% polyester 300gsm  
Primarily used for sublimated jerseys. Designed to keep the players dry and assists in controlling your body temperature. Ideal material for clubs (onfield) and schools (leavers jerseys).

**Elite Light Weight**  
100% Polyester 139gsm  
Similar properties to our Performance sublimate. This new material has been created to suit the on field sports requirements of Football and Hockey. Ideal material for all playing tops and shorts.

**Polyester Twill**  
100% Polyester 215gsm  
Primarily used for On-Field shorts. Developed as a lighter weight and more durable option for our new age Rugby and League player.

**Polyester Spandex**  
90% Polyester 10% Spandex 250gsm  
An innovative sublimated fabric, developed with moisture management properties to keep the body dry and fresh. A mix of fibres and yarns to ensure a close fitting garment that moves in accordance with body movement for maximum performance. Used in our Athletic, Netball and Rowing garments.

**Nylon Ripstop**  
100% Nylon Ripstop Dobby  
Water resistant 1500mm PU coating, great for all weather jackets.

**Fleece Sweat**  
60% Cotton / 40% Polyester, 280gsm  

**Cotton Drill**  
100% Cotton 285gsm  
Durable and practical fabric for playing and training shorts.

**Polyester Taslon & Microfibre**  
100% Polyester 110gsm  
Both popular fabrics used primarily in tracksuits and shorts. Fast drying and easy care.

**Tricot**  
100% Polyester 155gsm  
Traditional fabric used largely in rugby league shorts. 100% polyester allows for sublimation, fast drying and easy care.
